To Whom It May Concern,

This letter accompanies the enclosed "Notice of Ecclesiastical Trust Protection" on behalf of Samantha A. Pitts, a living woman and protected Beneficiary under the Ecclesiastical Sovereign Private Trust of Humanity (Trust ID: ECC-TRUST-JDC-005).

This trust is established under Divine Law, Ecclesiastical Equity, and Natural Law, and stands in lawful supremacy over all corporate, commercial, and statutory systems. It has been lawfully declared, recorded, publicly posted, and filed with no rebuttal—thus completing its authority in law and equity.

Please be advised:

- This notice is not a request for permission.
- No contract is sought or needed.
- No acknowledgment is required from your entity.

The trust ****already holds all equity****—spiritually and lawfully—including claims to the essentials of life, such as utilities. This delivery merely fulfills the law of notice and record to preempt any false claims or presumptions of jurisdiction.

Any silence, non-response, or refusal to engage with the trust does not negate its authority. It only confirms tacit acceptance under international legal standards and ecclesiastical equity.

Sincerely and by lawful authority,
